Cross-guard Ltd - Production Manager

Title: Production Manager

Cross-guard, a well-established and growing manufacturing organisation, is currently seeking an experienced Production Manager to join their team. A busy and varied role, this is a fantastic opportunity to join a successful and expanding business. The candidate must be able to cope well under pressure, as well as being a team player with good all round internal and external communication skills. They should also be computer literate with all aspects of Microsoft Office, with the ability to multi-task. The Company will support the right candidate with continued in-house training, enabling them to be successful in this diverse role.

The Role:

The role of the Production Manager is to provide a pro-active and efficient managing of the production facility. Reporting to Cross-guard's Operations Director, they deal with the daily running of the production across fabrication, painting and finishing.

Responsibilities:

- Production efficiency and targets.
- Managing all production staff.
- Developing internal team leaders and supervisors.
- Staff recruitment and discipline.
- Production planning.
- Liaising with logistics department on delivery scheduling.
- Delivering high quality across the site on time.
- Maintaining accurate training records.
- Interdepartmental timely communication.
- Responsible for, and set an example through, health and safety.

Who we're looking for:

The right candidate will be accustomed to working in a busy manufacturing environment and possess excellent attention to detail. Proficient in the use of Microsoft Office applications (in particular Word and Excel), the right candidate must be confident, possess a 'can-do' approach to work, and a professional manner.

The Company:

Cross-guard Ltd. specialise in the physical security of servers and other IT equipment, and Cash and Valuables in Transit (CVIT). Cross-guard is one of the leading suppliers of security products within the data centres, telecoms, and retail markets.

The company combines engineering and manufacturing expertise, with expert knowledge of the IT security and CVIT sectors. All Cross-guard Ltd products are custom made to meet individual customer requirements.

Location:

Scunthorpe, North Lincolnshire.

Cross-guard Ltd does not discriminate on the grounds of age, race, gender, disability, creed or sexual orientation and complies with all relevant UK legislation.

Please apply in writing to Adam Butler - adam.butler@cross-guard.com - no later than Friday 03/02/17.
